Agenda Item Deadline for University and College Committees

For a given month, all materials are due the **last Friday of the month prior** to ensure that the committees have enough time to create agendas and review materials prior to meeting as a group.

For instance, if Graduate Council is meeting in October 2026, the materials are due for review no later than September 25th to the committee. If the CBT Committee is meeting in January, the meeting materials are due no later than December 28th (in this case the Monday after the Friday given Friday is a holiday).

Deans and faculty should not pressure a committee chair to take their materials late as a courtesy to those who are reviewing the curriculum. It is the responsibility of the proposal authors and departments to submit their materials in a timely manner.
